H.W. Wallace Cremation & Burial Centre staff send our condolences to family and friends.

Tribute from Darrell Ell

Relation: Construction

Dave, thank you for all of the in depth jobsite chats over the years! I supplied a lot of doors, moulding, lumber and concrete to your projects over the years. You were a very deep thinker, and you will be missed.

Tribute from James King

Relation: Friend

Dave, This comes as a huge shock and I wish I got to know you more. You were so much fun to be around and never stressed on the job. I was looking forward to working with you more and I am so sad to hear your gone. Love you Uncle Dave
