Relation: Childhood Friend

With a broken heart I say farewell to a wonderful friend and wish comfort to those closest to him. He

was a good man. Worked hard, maybe too hard, and did his very best. He was the smart one - he didn't have to study for tests at school which really bugged me, but also made me admire his intellect. We always joked around and laughed a lot. To Cindy and family, I'm sorry he was called so soon. Love to you all.

Tribute from Janet Tipton
