Tribute from Wayne McKinnon

Relation: Friend and co worker

Yvonne, Dean and Terry. It was with sadness that I learned of Dennis's passing. While I'm happy that he's released from the grips of dementia it just seems way too soon for him to be gone. I smiled to myself thinking of all our times together, his teaching me how to drive a truck safely, his numerous stories of his logging / trucking career and basically making me a better person for knowing him. He was a gifted storyteller who will be missed.
Rest in peace driver, your shift is over.
