

REMEMBERING Derek Hogg

March 10, 1969 - January 23, 2014

It is with heavy hearts that we announce Derek's passing. He was a devoted, loving father leaving to mourn his daughters Riley and Peyton, and their mother Lori; his mom Marie; his sister Micha, and nephews Devlin and Logan; his many aunts, uncles and cousins; and his numerous friends, which include the Oak Fantasy Football boys and friends and co workers at Catalyst. He was loved very much and will be profoundly missed.

Derek was born in Esterhazy, SK and the family moved to BC in January 1970. He attended and graduated from school in Abbotsford, BC, subsequently attending University of Saskatchewan followed by attendance at University of British Columbia where he completed and received his Bachelor of Science degree. Afterward, he moved to Duncan, BC working at various jobs until he began his career in Crofton at Catalyst Paper, where he recently commenced an Industrial Instrument Mechanic apprenticeship. He was an avid sports fan, particularly enjoying football and baseball and liked to spend time at the gym. He was a voracious reader and had a calm, assertive personality with an infectious, inspiring spirit. He also enjoyed fine foods and gourmet cooking. However, his prime focus and great pride and joy were his daughters, Riley and Peyton.

A celebration of Derek's life will be held Saturday, February 8, 2014 commencing at 1:00PM at the Quw'Utsun' Cultural and Conference Centre, 200 Cowichan Way, Duncan B.C. (across the street from Superstore).

Flowers are graciously declined. Derek received a gift of life by way of a heart transplant in August 2012. Please remember Derek by making a donation in his memory to St. Paul's Hospital Foundation of Vancouver, Heart Transplant Research, Room 178 - 1081 Burrard Street, Vancouver, BC, V6Z 1Y6; or to the Heart Transplant Home Society, #209 - 15368 17A Avenue, White Rock, BC, V4A

1V3 The family would like to thank CDH Emergency, St. Paul's Hospital, Royal Jubilee CCU, Cowichan Aquatic Centre staff and especially Dr. Pullan, Dr. McLean and Dr. Sanders for your love and devotion to Derek's care.
