Tribute from patti miller

Relation: i was one of her nurses and also a friend.

Diana was like a family member to many of us who worked with her. She was always friendly and funny and spoke frequently about her boys and their familys with love and affection. They where the light in her life! I miss her.

Tribute from Vera Read

Relation: school,worked with her sister

I was so sad & shocked to her the news. I remember Diana in school as always laughing, smiling & being a bit goofy. I know she had major health issues over the years & now she is at peace and not in pain. Condolences to all of her family.

Tribute from Dianne Martin

Relation: Long time family friend.

It is with great sadness that I write these words. Diana has been like a sister since I met her more than 35 years ago. We both had two boys and that drew us closer together. Diana was a terrific mother and nothing made her prouder than her two wonderful boys and their families! She always had wonderful stories to share - and her face showed her love and pride in each of them. Although we didn't get to see each other as often as we would have liked, we did get together a couple of times each year and those visits will always hold a special place in my heart. My heartfelt condolences to all her family.

Tribute from Diane and Wilf Zeck

Relation: Diana's son Mike married a very good friend to our family.

Our thoughts and prayers are with you and your family at this very sad and difficult time. It is never easy to lose someone close to you. May you find the peace needed to heal and as you remember your precious mother, mother-in-law, grandmother, sister, and aunt often, she will ever be a part of you. Best wishes.
