Tribute from Sandy Kyle

Relation: Preschool parents

My heart breaks for you Eric and Thomas. Diane was a wonderful mother and a beautiful warm, caring person who though our connection was 2 years of preschool parenting that ended 14 years ago, it was always wonderful to catch up with her when we ran into each other. I know those grieving her loss will have many beautiful memories because Diane was a very bright light in our world.

Tribute from Troy & Cyndi Johnston

Relation: Calaveras Friends

Cyndi and I were very saddened to hear of Dianne's passing. Our hearts go out to her family in this difficult time.

She was a shining light that turned off way too soon.

Tribute from Patti Grey

Relation: work & friend

I was so shocked to hear of this sad news today. My heart aches for your loss. I had the pleasure of working with Diane on several projects and we developed a very nice friendship. When I last visited with Diane in her big home, her love and devotion to Eric and Thomas, filled the house. She was so proud of them and spoke of that often to me. The last few years our friendship was more by phone when she would be in Victoria, mostly for basketball as I recall. As a mom myself, her deep love and devotion to her boys and their interests, was inspirational to me. I admired Diane, she was a really

lovely person.
