Thinking of you and your family Kathy. You all have wonderful memories of husband and father that will, in the future and always, bring a smile to your face.

Tribute from Marjorie & Des Pratt

Relation: friend

We were saddened as so many people were with Don's death, but it came only after he put up an amazing fight to extend his life.

I didn't know Don as well and as long as his many friends but from the first time I met him he impressed me with his enthusiasm for life in general, for his family, and for his golf. Don had a genuine driving force that I know carried him through his business career, his illness, and that coupled with his determination he improved rapidly with his golfing skills.

With Don's legacy I know he left the world a better place for all members of his family.

Our best wishes to you Kathy and your family as you enter into the healing process

Tribute from Hilda Hamilton and Mychal Westman

Relation: Brother-in-law (Kathy's sister)

Don was many things and his life ended too early - great husband to my sister Kathy, adoring father to Richard & Jamie and their spouses and kids - astute businessman, good friend to many, passionate golfer and sports fan. Always loved my visits to the Island and to the happy and lively White House - will miss Don's great Caesars. It's been a long struggle, Kathy, for you & your family but I know Don has left you with many happy memories.

Tribute from Shirley & Don Hval

Relation: Brother-In-Law

Don was such a special brother-in-law to us; kind, caring and so very knowledgeable and wise. Although we are deeply saddened that you are gone, both Don & I will always have fond memories of our great visits along with the many glasses of wine we shared. We know that your memories will be carried on through Kathy, Richard, Jamie and the grandkids.
