### **Tribute from Gordon Kloosterman**

Relation: Friend and workmate

Sorry to hear about Don's passing, He was my mentor at Woodland Auto body, we worked together for about 15 years. He was a very skilled and hard working man. I sailed with Don a lot aboard the Wind Dancer as well, we participated in quite a few races, one in particular was an overnight race around Ruxton Island were we tore the main sail and almost ran up onto the rocks, it was a very stormy night. I would stop in to see Don from time to time at Cairnsmore, I took him for a drive down to the yacht club to look at the boats, I saw him last about a month ago, he was still very sharp, his memory very good. It is sad that he is no longer with us, he was a very good man and I will miss him.

### **Tribute from Jean Whittaker**

Relation: Good Friend

Don & Peg were the best neighbours one could wish for. We were always there for one another. I'm glad I spent Don's last birthday with him, sharing his cake, he had such a sense of humor & always a smile for you. Don & Bob will be happy to have tea together again. Fond memories of him. Love Jean,

Linda & Vicki

**Tribute from Alison Thiessen**

Relation: Dad - Ian Jones - shared Don's table at Cairnsmore

Just want to let you know that our family enjoyed meeting Don at Cairnsmore Place - my Dad was at Cairnsmore for about 2-1/2 years. Don was one of the few we got to know better because he ate at the same table as Dad, and one of more of our family were there almost daily to feed him. Don was always so friendly, and greeted Dad warmly, even though my Dad had dementia, and was often very sleepy and disoriented. I worried about Don sometimes because he would try to help another man, Magnus up from the table when he struggled to get on his feet - I was afraid Don would hurt himself, but he didn't seem too concerned - he just was helping his friend, and encouraging him to try harder. Another example of his good character & his kindness. We enjoyed knowing Don, and just want to send our condolences for your loss. He was a good man.

**Tribute from Sue and Dan Edgson**

Relation: family and friend

We send our love and warm hugs to all family members and most especially to Wendy and Rosemarie. Your Dad was a good man. We have great memories of him both current, and in the past, as a younger man with your Mom. Dan has great memories of your Dad's stories that he shared with him about his time serving in WWII as an airplane mechanic. Dan also was trained by your Dad at Duncan Garage some 48 years ago. Our love to you all...Sue and Dan
