Tribute from Diane Stokes

Relation: childhood friends mother

Cynthia, we send our condolences to you and your family on the passing of your mom. I don't always read the obits but your moms picture just caught my eye. She is beautiful and I always thought so. I know we have said this before years ago but would love to see you sometime. Send me an email and we can get together. We live so close now. Your mom will live on through all the memories.
