Tribute from Suilven MacGregor

Relation: Family Physician

So sorry to hear of Dorothy's death. She was a delightful woman. She was always very independent and incredibly organized. It was horrible to watch her health decline over the last year. My condolences to all of her loving family.

Tribute from Leighan & Fred Swain

Relation: Daughter & Son Inlaw

Mom...You were an amazing woman. You were always there for all of us, through the good times and the bad. You laughed with us and you wiped our tears. There will never be a day that goes by that I don't think of you. I love you always....Until we meet again..

Tribute from Janice Nickel (Northey)

Relation: Friend

We will miss Dorothy greatly. She had a wonderful laugh and always full of wonderful stories. I last visited her in 2012 and she was full of good spirit. Our family the Northey's first met her in 1975. She also made wonderful salmom cakes from fish caught by her incredible husband. May she be with him now in peace. God Bless.
