

REMEMBERING
Dorothy Coupland

June 15, 1924 - April 17, 2014

It is with great sadness the family of Dorothy May Coupland announces her death, April 17th 2014.

She was born in Vancouver on June 15, 1924 and moved to Duncan at very young age where she lived the rest of her life. She married John Coupland in 1946 and built their own home on Bell McKinnon Road where they lived together for 67 years. She was a retired BC telephone employee and had worked at Kings Daughter's Hospital as a young lady. She proudly won the ladies golf championship at Mt Brenton golf course. She had a great love for gardening, and their yard was always a sight to behold. She enjoyed sewing and made a lot of her own clothes. Dot was a very caring person and always kept up on all her family and friends activities. She also had a great love for shopping and spent many trips buying things for her friends and relatives. Dot was predeceased by her Husband John in September 2013 and leaves two half- sisters, Marie Childs, 100 Mile House and Lorna Carlson of Duncan and many nieces and nephews. Dementia took its toll on her in her last few years and she just quietly left us.

No flowers by request, donations if desired can be made to the Cowichan District Hospital Foundation.

There will be Celebration of life for Dorothy on Thursday May 8, 2014 from 2:00-4:00 at H.W.Wallace Burial Centre. 5285 Polkey Rd Duncan B.C
