Tribute from Dawn Kellerman Moscrop

Relation: Iris was my aunt

I always thought of my Aunty Iris as beautiful, exotic and strong. She didn't much care what others thought...and I liked that. I also remember her baking and when she gave you a piece of cake you got a BIG piece of cake! We didn't see a lot of each other over the years but I do have a lot of special memories and I will miss her. Love Dawn and family
