Dot passed away peacefully early Monday morning, surrounded by love.

Dot was also predeceased by her daughters Victoria and Kim, her son David and her granddaughter Kendal. She is survived by many children, step children, grandchildren and great grandchildren who she adored. She is also survived by many caring friends who will miss her. The family would like to thank Dr. Nadine Robertson who has looked after Dorothy for many years, her caring and compassion were truly amazing and appreciated.

A special thank you to all of Dorothy's many friends who were such a big part of her life.
