Tribute from Chris Rolls

Relation: Neighbour

So very sorry to learn of Doug's passing. He was such a friendly fellow, always with kind words for his neighbours and often we chatted while I was out walking the dogs. He would appear in our driveway, either in his truck or on his motorized scooter. The last time I saw him in the neighbourhood he was riding up the road on that scooter and waving to all he passed. Rest well Doug. You have been missed in our neighbourhood since you moved. May you be at peace
