Tribute from H.W. Wallace Cremation & Burial Centre

H.W. Wallace Cremation & Burial Centre staff send our condolences to family and friends.

Tribute from Sandy Wilde

Relation: Doug was my dear Uncle

Rest In Peace Uncle Doug

You are so deeply embedded in all the hearts of those whose lives you were with. Your exuberance for life was rivalled only by the love you had for your three daughters. Your smile could light a room and your bountiful energy was infectious. The memories you are responsible for are too numerous to mention yet each one better than the next! You were and always will be loved Douglas James Ford and your passing is felt deeply for all those left behind, for grief is just love with no where to go.

Love you Uncle Doug

Tribute from Melaney Mathews

Relation: I am friends with Candace and Krystal and with their mother, Michelle.

To Candace and Krystal: I am so sorry to learn of the passing of your father. His daughters have written a beautiful, moving and inspiring tribute. It sounds like your dad was a very special person. Although I haven't met Alannah, I send her my condolences as well. I hope you will be consoled by the knowledge that he has left his pain and suffering behind and will now know only the joy of the spiritual world.

Tribute from Bill Devonshire

Relation: Old friend

Heart felt condolences to family and friends. I met Doug and Michelle many years ago when we all worked for Graham Fiberglass. That was a very memorable part of my life and a large part of it was meeting Doug and Michelle. Kind, inclusive and welcoming from the moment we met. Doug was the polar opposite of my quiet and introverted self, which is why I fell in love with that rogue immediately. I regret never crossing paths after those unique times ended. Rest in peace, my old friend.
