We would like to offer our sincere condolences to Linda and all the family. We have known Doug and Linda for upwards of 35 years. We met first in North Vancouver, Doug & Hugh worked for the City of North Vancouver, they golfed together and we socialized. We moved to Victoria and a couple of years later Doug & Linda moved to Duncan. We still visited and played golf and kept in touch. More recently we had been keeping in touch with Doug by phone as we did not want to risk passing the COVID virus. We will miss Doug and we are sure Linda will miss Doug in her own way.

**Tribute from Shannon**

I always enjoyed Doug and his wry sense of humor. He and Linda opened their home to me in both Vancouver and on the Island, they welcomed me as closer family than I am. Doug and Linda's generosity provided many evenings enjoying a great meal (often with fresh caught seafood) and conversation in both BC and AB.

**Tribute from David Lloyd**

Relation: Friend

Roberta and I met Doug and Linda through The Cowichan Newcomers in 2006 and got together a few times before Linda's failing health. I am so sad that Doug has passed on, but his abiding love for Linda never wavered and I firmly believe it led to a broken heart. Rest in peace Doug.
