first trip to a dentist when we moved to LC - @ 8 yrs old I remember how great he was at putting people at ease- gentle teasing and gentle touch. Although we moved away many decades ago I think it does say much for Dr Dave that he still is remembered so vividly and fondly - RIP and condolences to the family

So sorry to hear of Dave's passing.

I have so many fond memories of Dave and our travels to so many corners of the world.

Be it of him trying to get me hooked up with a child bride in Viet Nam. Or going into a local shoe store to buy runners. Can still see the look on the Ladies faces as they looked down at our rather large feet.

The time we stopped at a Mountain pass and a local vender was trying to sell us some sheep skin clothing, Dave convinced me I had to buy one too, "we'll get a better price" and then gave the vender more than we had agreed on.

I recall many side ventures that Dave and I would take at places we stopped just to check out the neighborhood. Within minuets Dave had befriended one of the locals and launched into a conversation. Language was never an issue.

I could fill pages with these found memories of our travels.

Yes Dave is gone but he will always be with me. I feel very blessed to have know Dave and to have shared so many found memories.

My condolences to you all. My your memories come to mind often and bring you comfort.

Tribute from Andre St Cyr

Relation: Friend

Dear Kathie and family,

So sorry to hear that Dr. Sharp passed away on the day my wife and I stopped by to visit. As a childhood friend of John, I have many fond memories of Dr. Sharp. I remember Saturday being the only day John and Ann were allowed to chew trident gum and have a few candies! I also remember fun outings on the renovated tugboat and Dr. Sharp popping a wheelie on John's motorbike in the back of his trailer. Dr. Sharp was always very friendly and genuinely interested in what I was up to. I will always remember his infectious laugh and smile.

Our deepest condolences to the family.

Tribute from Glen Carlson

Relation: Patients and friends from Lake Cowichan, originally.

Dear Dr. Sharp's family in Lake Cowichan and beyond:

Dr. Sharp was the Carlson family's dentist for a longtime. On behalf of my sister, Alida Reid and myself we want to say goodbye to a wonderful man and dentist who contributed so much to our town and ourselves, as we were growing up there.

My last memory of him was in the summer of 2019 at the river base of his property while I was kayaking the river. I had a short and memorable talk with him and his visiting daughter. In 2021 when we returned for our annual visit to Lake Cowichan we missed seeing his smiling and welcoming face, as I'm sure you all do as well!

God's blessings and sympathy to all the family during this time of remembering

Relation: Driend

Dear Sharp Family,

We are truly so sorry to learn of Dave's passing. He was an amazing friend to both Barb and I. During my younger years in Lake Cowichan, Dave saved me from a whole lot of trouble and was a brilliant mentor to me. From dentistry to Adventures on the old Tug, he was a caring friend and leader.

We hope you are all well and will remember the amazing memories of the fine gentleman he was to help you through these difficult days. Thinking of you with sincere condolences, Jerry and Barb Sihota
