### **Tribute from Sandy Dunlop**

Relation: I was an acquaintance.

I was very sorry to learn of Dunc's death Candice. While I was never really close I admired his quiet demeanour. He seemed to me to be a gentle man who thought things through before he acted. This may have resulted in him being a very fine horseman. I knew his brother Merle very well many years ago. My thoughts are with you Candice in this very difficult time.

**Tribute from Debbie Spenard**

Relation: Friends from long ago.

It's been many years since I had seen Dunc. I bought my very first horse from him. UCK was her dad. He was very kind and patient as I learned how to look after a young horse. I have always kept the things he taught me, and bring him up as I pass on what I learned to my daughter who has become a horse lover. I'm glad you no longer suffer, and am sure you are surrounded with love.
