Tribute from Toni Gill

Relation: First cousin. His mother and mine were sisters.

I was devastated to hear the news. Randy and I had a special connection as cousins. He had a big heart and a great sense of humor. We never seen each other very often, but when we got together, it was just like no time had passed. He will be sorely missed. My deepest condolences to his wife and daughter, whom he greatly loved. Resp in Peace my friend.

Tribute from David & Linda Grist

Relation: friend

We are shocked and sad of Randy's passing. I am thinking about and remembering the times spent with Randy in his late teens and early 20s and our mutual love of cars and bikes. Unfortunately we lost track of him over the years. Always a great guy. Thanks for the memories!

Tribute from Herb Magee

Relation: Friends through high school.

I was shocked to hear of Randy's passing. He and I became close friends in our late teens while attending Oak Bay High and into our early twenties. Life got in the way and we lost contact with each other. He will be missed.

Tribute from M. Naylor

From first meeting the Blaneys over four decades ago they always made us feel welcome. What I always remember about Randy was his positive attitude. Only one time on a bad health day did I hear him down. That is such a nice legacy to have family and friends remember. Wanting to express my sympathy and love today.
