Words cannot express how saddened I was to hear of Mr. Webb's passing. He was one of those truly remarkable P.E. teachers & wonderful neighbours across the street 30+ years ago from us on Nagle Street whom i had the pleasure to babysit for. He was such a kind hearted individual who made a lasting impression on those who knew him. Deepest sympathies go out to all of his family. Sincerely, Deanna Behm (nee Landy) 1068 Nagle Street

Relation: Acquaintance and former student

My most sincere condolences to all the family. Ted was one of my most remembered and inspiring teachers. Later I was happy to learn that he was my son's teacher. He was a lovely man who I always looked forward to chatting with and catching up with, whenever we crossed paths. He will always be remembered very fondly, a strong, kind person. He will be sadly missed. In time, I hope that all the good memories will help ease your grief. Thoughts and prayers with you all.

Uncle Ted, when mom was in hospice and she wasn't aware of what was going on around her, you phoned and as soon as mom heard your voice she perked right up and was engaged in your conversation. Now that you two are together again, please give each other a hug from me. Love you Uncle Ted.

Relation: I was his student

To the family, friends, and students of Mr. Webb. I want you to know what a positive impact he had on my high school life then--and how it has impacted me now. He was a wonderful teacher, excellent basketball coach, and amazing human being. He has left us too early and I wanted to let you know the lasting impact he had on all his students. It is true, we did affectionately refer to him as "Magnum PE". And he was one of the 'cool' teachers. May he rest in peace.

In the early 1990's our two sons played basketball for ADSS in Port Alberni. We always looked forward to the visiting Cowichan team and chats with Ted and Scott when the league games were played or Totem was on. This connection continued long after the boys graduated.. We acknowledge the model of calm coaching and the contribution Ted made to Vancouver Island basketball. We send our sympathy to the family for their loss. Paul ,Ann ,Kevin & Brent McMillen Port Alberni

**Tribute from Jacqueline MacKenzie ( Kloosterman )**

Relation: He was one of my teachers at high school

I was sad to learn of Mr. Webb's passing.

My heartfelt condolences go out to his family and friends.

Thanks to him, " Community Recreation" was my favorite class in high school. As a lifeguard/ swim instructor, he recruited me to help teach alot of the material in the class... swimming, first aid, and lots of fun pool activities to get students comfortable in the water. Through his support and confidence in me, it really taught me to believe in myself and my abilities. Such an important lesson that stuck with me!

Rest in Peace Mr.Webb. You truly made a positive difference in my life, thank you
