H.W. Wallace Cremation & Burial Centre staff send our condolences to family and friends.

Tribute from Margaret Tames

Relation: Friend

Elaine and I shared a hospital room when I gave birth to my daughter and she gave birth to her son Graeme. It was a special time for each of us and we bonded over the shared experience of having our first child. She was one of the kindest most caring people I have ever known. In the coming years I saw this special lady many times and benefited greatly from her sage advice about nutrition. She also was a beloved and conscientious teacher (substitute I think) whom my son was privileged to have when he attended Bench school. Rest In Peace beautiful lady. You will be remembered always.

Tribute from Margaret St Cyr

Relation: Friend

Elaine introduced me to Shaklee natural cleaning products when my first child was born.. I went to several nutritional talks at her home and have purchased cleaning and nutritional products from her ever since.. I always felt I could talk to Elaine about anything. She loved her family and often talked about her children and what they were doing and where they were. She was a wonderful person. We also had a connection with our music. I send my condolences to her three children and their families.

Tribute from Karen Bennett-O'Brien

We are so sorry to hear about Elaine's passing. Her smile used to light up our ice cream parlour back in the early 2000s when Cheryl and Shauna worked for us and the family would come by. Thinking of you all.
