#### **Tribute from Jim Moore**

Relation: Student in high school

Mr Kier, for that is how I remember him as the teacher of our Social Studies 10 class in 1952-53. It is how I remember him still. Mr. Kier was one of many excellent teachers in the high school at that time. His influence was felt by hundreds of students. I am thankful for his long life.

#### **Tribute from Donald Schmidt**

Relation: former student

None of you will know me, but it was Mr. Kier's enthusiasm for history - Canadian history especially - that in turned inspired my passion for history, and for digging just a little deeper. Rest in peace, Mr. Kier - you have had a powerful effect on my life.

#### **Tribute from Liz Bastin**

I will always remember you. Rest in peace with your lovely Winnie

#### **Tribute from Jan Norman (Selzler)**

Relation: school age friend of Joanne

Joanne & Larry, Sincere condolences on the loss of your father. I still remember the trip to Disneyland your parents took me on. Your father had a very full life and I know you miss him and your mother very much.

Take care.
