

REMEMBERING
Elizabeth June Pym-Hember (Betty)

HIDE

On May 16th, 2026, after a stroke and a short stay in the hospital a guiding light has gone from our lives with the loss of our Mom, Grandma and Great Grandma.

In her 92nd year Elizabeth June Pym-Hember (Betty to her friends) passed away. Betty was predeceased by her husband Peter, both her parents, 2 brothers and a sister. She was very proud of her family and being survived by a legacy of 2 sons and their wives, 5 grandchildren and their significant others along with 6 great grandchildren.

She also loved to travel and did so with her friends extensively in her retirement. From the frosted glens of Ireland to the warm shores of Morocco. She was fond of cruising to places like the Mediterranean with stops at Spain, Italy, Greece and Dubrovnik. She travelled through the Panama Canal to Hawaii and the Alaskan shoreline. Not to mention individual guided trips all over. All the while being just as happy, baking cookies for everyone.

FOREVER in the sky and our hearts.....

Instead of flowers please donate to the Heart and Stroke Foundation.
