Relation: Friend

Condolences to all of you on the passing of your mom, grandma and great-grandma, our College Street neighbour and friend of many years ago. You were all blessed with wonderful parents in Elsie and Gordon and you will have many memories on which to reflect. May these memories be a solace and comfort to all of you. Elsie was always full of life and energy and the door was always open to neighbourhood kids down the street. Great memories. Love and blessings to each of you.

Tribute from Ann Young

Relation: Friend

A dear lady and friend of 50+ years. Elsie opened her home and heart to me and my family. Never to be forgotten

Tribute from Mrs Victoria penning was Adnitt. And Steve penning, Caleb penning

Relation: Family from England. Ralph Adnitt was her cousin.

My deepest condolences to you all. What wonderful people they were, ones that will never be forgotten. Elsie and Gordie welcomed us into their home on many occasions, the shack was the perfect staycation, when we visited from England. Elsie did our family history, (which was no mean feat, countless pages), of which I have a copy. They stayed with my grandad, my parents or us when they came to England. I have so many happy memories with them. They helped keep the family connections. The whole family are in my photos and memories. Thank you Elsie and Gordie for being you. Perfect just as you were.

Tribute from Ron Elder

Relation: Former long-time neighbour

Remembering a great lady who was a light in the College St. neighbourhood and an awesome mother to super kids/friends. It was nice to meet up with Elsie at the College St. reunion. Apologies for not being with you all tomorrow. All the best.
