Relation: Fellow artists.

Sincere condolences to all Carol's family. We had the pleasure of meeting her when she found my purse on the logging road one day and then through the Kaatza Art Group. She was a very talented artist with a number of her paintings adorning houses in our family. Her trees were beautiful. Her smiling face and talent will be missed. Always saw her out walking the dog. It was obvious that she was an outdoor girl. Kindest regards, Maureen & Neil Fatin

**Tribute from Janet Rathy**

We looked forward to seeing Carol at the Honeymoon Bay Market each week...she was a wonderful lady - so talented and generous. I bought MANY of her hand-painted cards & those, along with the plants & painted pots are cherished.

What a legacy of strength & love she left behind for you - sincere condolences to all the family, we know she's greatly missed.
