Tribute from Joy Davis

Relation: Next door neighbour

I will always have fond memories of our childhood years growing up next door. Mr Laird was always good to us and we loved to ride in his old green Ford truck down the back of his property when he cut firewood. We played in the woods while he loaded the truck. Then we would pile in the truck and try to make it up the hill full of firewood. He would often have to back up, and take a good long run to get up the hill. The engine would be roaring as we chugged back up the hill. Those were fun times. Mr Laird was always friendly and kind to us over the last sixty years of knowing him. Also remember him milking Gracie the cow. Your Mom and Dad and my Mom have all passed into God's presence within nine months. I am sorry for your loss but for them it is far better.

Tribute from Wendy

Relation: neighbour

So sorry to hear of Roy's passing, My condolences to the family. I remember meeting Roy when he came canvassing for the Heart and Stroke foundation door to door in the Bell McKinnon neighbourhood in the 1990's. He was such a kind man and a good neighbour. I will always remember the day he asked if I was able to come and help Marion with the housekeeping in her later years and I enjoyed getting to spend time with them both. I hope they are reunited once again.
