Tribute from Michell Cherneff

Relation: Friend through I.O J.D.

My thoughts are with all of Al's family. He has a special place in my heart for being alongside me as Associate Bethel Guardian for Bethel#38 of Job's Daughters in Duncan. I will always remember his humour and quiet guidance. May all the memories surround you with love.

Tribute from Alf Carter

It was sad to hear of Al's passing. He and I first met at the BCFP Mackenzie pulp operation. He was always a warm and caring person. Sincere condolences to the family.

Tribute from Greg and Karen Lonsdale

Our sincere condolences to Lillah and family on your loss of Al , we both remember the great times we enjoyed when we were all involved in the Cowichan Valley Shrine Club.

Tribute from Carmen deGoey

Relation: A few of us only had the opportunity to meet Al a few times in our career here at Camosun. He was a gentle and very knowledgeable man. We often find his name written in the many text books we share in the Department.

Thoughts and and heart felt condolences to the family of Al Sadler, from the Electrical Department at Camosun College.

Tribute from AMY IRENE HATTON

Relation: Wife of his cousin.

Jim Hatton was Allan's cousin and great friend in the growing up years in Powell River.

Jim was the first in the family to get a university degree and he encouraged Allan to do the same. Jim has had a stroke so I am his wife (Irene) writing. I do remember what a tease Allan was, I never knew if he was telling the truth or joking! What a gentleman he was, I never saw him in a bad humor.

Tribute from Gina Talbot
