I will miss Fay and appreciate the times I had with Fay. Our daughter had swimming lessons at their pool and it was so enjoyable to have cups of tea and chat with Fay. She was such a gracious host. The plant pots around the yard, full of vibrant colour and beauty were wonderful.

A special memory is going with friend Peg and her mom Fay to Cowichan Lake/Shaw Creek and having a picnic on the beach and making tea and talking about Fay's upbringing on a float camp on the lake. Wonderful stories of adventure, I remember and appreciate that day. Once when at a conference in Vancouver we toured the kitchens of the Pan Pacific together and that is a special memory also. Fay was a special person to me for many reasons.

Aunt Fay will be missed immensely by many . Her's was a life filled with many connections from near and far. She and Dub provided the hub of get-togethers on the pool deck, in her beautiful gardens, in their lovely home, or wherever there was an opportunity. Always ready to host a gathering, be it Quinsam Lake, or a rustic campsite in the Yukon, Fay could carry it off. She could make a sumptuous meal from whatever berries, fish or local favs were found around the camp. She was generous, hard working, creative and always ready to make it work with whatever she had at hand. While growing up, Fay was my 2nd mother and we felt like one big happy family as she would take us to the beach, birthday parties, & play dates. Even with failing health in the last few years, she continued to maintain her friendships until fairly recently. We will miss our amazing Aunt Fay, but it was time at last for her to rest, peacefully . Such wonderful memories over the years, they will last in our hearts forever.

Her's was a life, truly, well lived.

Heartfelt condolences and love,

Peg & Chris, Ken & Lori, Pete & Tina, Sherry, and all the grand and great grandchildren.

What a woman Fay was! From her stories of her family, their accomplishments and her travels. Loved just sitting listening and talking. I will always have a smile on my face when remembering fondly! God speed Fay and safe travels to the west!

Relation: Sister-in-law

My deepest condolences to the family and friends of Fay. She was a brilliant sister-in-law who was truly the "hostess with the mostess". I was very fortunate to have been so warmly welcomed into the Norie family when I married Fay's brother-in-law, Henry. She was hugely supportive to me for all her remaining years and I too treasure many memories from the day she and Dub stood up for us at our wedding to just a few days before she passed. I loved our holidays together including cruises, family thanksgiving camp-outs, Nimmo Bay, and gatherings around the pool. Later I was taught card games around the kitchen table with Anya and still later shared Blizzards with her. I loved her home and beautiful gardens but most of all, I loved her. She was kind and generous with an effervescent smile and a captivating laugh. I will always miss her.
