

REMEMBERING
Florence Hancocks

May 22, 1930 - April 9, 2013

Our hearts are filled with sadness, profound loss and tremendous respect as we announce the passing of our mother, Florence Camille Hancocks on April 9th, at her home, surrounded by her family, husband Norman, her daughters and sons-in-law; Rebecca and Ted, Debra and David, Susanne and Ron, Marni and Bill, and Katherine. 'Flo' was predeceased by her son Kraig and was 'Grandma Rivers' to her many grandchildren and great grandchildren. She passed with dignity and class, our "Iron Lady".

Job 33:25 - Let his (her) flesh become fresher than in youth; Let him (her) return to the days of his (her) youthful vigour.

You can contribute to Florence's memory by planting a tree in her honour or by donating to the charity of your choice.
