Tribute from Jeff Leggat

Relation: she was my mother

Mom, you were everything to me and though we often were at odds with each other throughout our lives YOU were the light to guide me home and the love to carry me through. I love you more than words can express and I thank God for having you as my MOM for the past 51 years and for the rest of eternity.

Was saddened to hear of France's passing. She attended a diabetic support group with several others and I always enjoyed her stories - a story teller she was! She will be missed

Tribute from Andrea Kemp

Relation: Her accountant for 20 years.

My sincere condolences on the passing of your mom Frances. I have known Frances for many many years (20 I think), I knew both her and Frank when they lived here in Penticton. Frances was always so kind to me, always leaving fun little notes with her taxes to to keep everything fun and light. We shared a love of cats which we talked about often. Once she moved to Duncan, I was lucky enough to speak with her often and received many pictures of "Tommy the cat". It was my privilege to have known your mom all these years, she was just a lovely lady through and through and I know she will be missed by many. My sympathies to you and your families. Andrea Kemp, Penticton, BC
