Tribute from Coady Turner

Relation: Truly a very good and remarkable friend

Don, Frances was one of a kind. She was a very loving and adorable lady that will be sadly missed. I am most certainly going to miss all those calls and jokes about her with her hair in curlers. Both Frances and yourself will be always remembered for your generosity and kindness, especially to a small Airforce family which you adopted without knowing it. I know that both Sue and I will always have a soft spot in our hearts for her. Don, please take care of yourself and remember we are always here if you need to talk to someone at anytime. Thank you again for sharing Frances with us.
