Frank was such a pleasure to know. I loved seeing him at the pool most days in his usual spot. It was great to see you this summer. We are so saddened to hear of his passing. Big huge hugs to you Barb. Xoxo Ruth Bastedo and Jack Barnes.

Dear barb, we are saddened by the loss of Frank. Please accept our condolences. We will always remember his big smile sitting by the pool. Our thoughts are with you always.

Tribute from Eric Klassen

Relation: He was my uncle/brother

I am so saddened by Frank's passing. With him being only 8 years older than me, and having spent my first few years living with him at grandma's house, he always seemed more like a brother than an uncle. All my little friends knew that my uncle/brother was in the Canadian Navy... I was so proud and I remember him staying with us in 1953 when he was on leave. We've lost another one of the 'good guys.' Blessings to you Barb, and your family.
