### **Tribute from Deborah Morrow**

Relation: I work with wife Rhona

To Rhona --- with heartfelt sympathy, I write this condolence to you and your family. I am so saddened by your loss Rhona, and I pray you will draw on that awesome inner strength you have to get you through this tragedy. I am really going to try and make it up for the Celebration of Life on Saturday, however, if I am unable to be there in person, please know I am there in spirit and love for you.

To Sam and Isabelle --- my heart goes out to you both in this time of extreme sorrow and loss of your beloved father. I have known you both before you even made an appearance in this world! Your special mother Rhona and I worked together for many years and I vividly recall her and your Dad announcing the births of both of you! I attended your parents' beautiful outdoor wedding at Little Niagara Falls in Goldstream Park and recall the true adoration and love between them. Although you are suffering right now with the loss of your Dad, please know he is still with you in your heart and

always will be. Your Mom and Dad love you both very much and always will.  
Please remember that. God Bless you all!

**Tribute from Sandy & Bill Wilson**

Relation: family friends

We grew up next door to Rhona's late Mom Peggy. I was her maid of honour & she was my matron of honour when we got married. We stayed in touch over the years and we had a visit from Fred and Mike, Deb and Rhona at Wasa when they moved back to Victoria after Peggy passed. Rhona and Frank stopped by Wasa on their way to visit with Frank's parents at Canal Flats. Our thoughts and prayers will be with Rhona, Sam, & Isabel as well as Frank's family on Saturday as they remember and share their memories. God Bless

**Tribute from Robert Staal**

Relation: Rhona's cousin

What can one say at a time like this to accurately describe my sorrow for your loss? Rhona, Sam, Isabelle, I smile when I remember the brief times when I got to visit and spent time with Frank at your home. I smile because I only remember him smiling and the sound of his laughter. Thank you Frank for sharing your time with me and giving me these memories of you.
