Vicki, I just can't believe what I have just read. I am heartbroken for you and your family. Fred was such a great guy and friend. You both made a great team. I know you have many memories of fun times but I know they will not fill the void you are feeling right now. Please know, I am thinking of you and your family.

Fred knew me my entire life. We first met when I was in my playpen at Pacific Truck & Trailer in Port Alberni. He was kinda always like an older brother or father figure to me over the years. Even well into my 40's he referred to me as "Kid" We re united in 1997 when I moved to Duncan and delightfully realized that Fred was part of my regular parts delivery route. a memorable moment was when I began dated my now husband Fred and the boys out at the Mesachie Lake Hayes shop decided they needed to check him out to see if he was a good guy. That Friday night at 11:22 pm exactly 22 min after the afternoon shift ended and they speedily made their way from work to the Phoenix hotel in they strolled to check out my boyfriend. My children Emma and Campbell are so very sad to hear of your passing and I want to thank you for always watching out for them as you did for me. Thanks for always looking out for me. I will miss your smile, your laugh and sharing many a drink with you at the curling club.
