I was so sorry to hear about Freddie's passing. I only remember Fred as a small boy in Cowichan as our family vacationed on Vancouver Island in Duncan where a lot of our dear relatives lived. It has been many a year since I saw the Swains, but I will always remember my cousins. Again I am sorry to hear of Fred's passing. May God be with the Swain family at this time.

Leighan, Wes and family, so sorry to hear of Fred's passing. He was a great guy and so miss the

Cody Classic with all you guys. Will never forget our first meeting, when we were building our house. We needed a drywaller ASAP, and there were none to be found. My wife said, " just look in the yellow pages, oh here is Hillcrest " I said they are the best and busiest...we need someone tomorrow, they will never do it. She called and Fred said 'sure' we will be there on Monday....the rest is history and we became friends. Thank you Fred and Wes. P.S. best drywall job ever

Tribute from Mary Hebden

Relation: Friend of Darcy and Mike.

Dear Leighan, My heart goes out to you and your family at this difficult time. I only met Fred a few times and remember his smile. I have enjoyed hearing about his full life through Darcy and Mike. This time is a strange time for you as you grieve. There will be really rough times and there will be easier times. Eventually there will be more frequent easier days and you will find your feet again and be able to think of Fred without feeling the current raw pain of loss. Keeping you in my thoughts and prayers and sending a big hug, Mary

I remember Fred and his brother Wes coaching me as a youngster playing baseball in Lake Cowichan. Your time spent coaching was much appreciated. It gave me and others an opportunity to play a game we loved. Our condolences to the Swain family.

Tribute from Russ Bradshaw

Relation: worked with

I met Fred in 1973 while he was working on our house as mud boy for Frank Brothers plastering and watched from sidelines as he grew his own business. Thru all those years I respected his work ethic and drive.

Although we didn't see each other too often, when ever we did, we stopped and had a bs and solved all the problems as we all do. Will miss his dry sense of humor and would of course like to pass on my condolences to all the family, sorry for your loss - "keep on sanding Fred"

Dear Leighan and family: We are so very sad for you when we heard Fred passed. His time here was cut too short but we know you did not want him to continue with the unbearable pain. As he had through so much agony over the past years, words cannot express how much torture for him and you to have been with him and see Fred suffers. Thinking of you with our deep condolences and sympathy in your loss. Love Ray & Phyllis Thurlow
