### **Tribute from Sonja (Martineau) Burton**

Relation: Frieda was the best neighbour I ever had and a wonderful friend!

My deepest condolences to the family because of the passing of your wonderful Mother.

I have many special memories of your Mom when I lived on Cowichan Lake Rd. Your Mom was

always so generous and welcoming to everyone who entered her home, and always with a smile! She helped me in many ways, either with my four kids, generously giving from the abundance of her garden, and many delicious meals enjoyed at her table.

I have fond memories of helping her do catering at many functions at the Sahtlam Fire Hall. She was an excellent cook and knew how to prepare for a large group. Your Dad and my husband, Ed Martineau were foundational in the building of Sahtlam Fire Fire.

Your Mom will not only be terribly missed by all of you but everyone who was fortunate to have known her and been blessed by her.
