### **Tribute from Susan Good**

Relation: friend/aquaintance

It is with great sadness that I read about the passing of Gary. I often tell the story about the time Gary and Karen came over for dinner when their son Owen and my son Jaron had started at Brentwood College. We had a rottweiler, and the only time she every growled at anyone, was the time Gary came up the stairs to the living room. I think because he was such an imposing character with his height and unusual mustache. Gary being such a kind gentle man, never batted an eyelash.

We send our condolences to the Madrick family, and remember Gary fondly. Susan, Jaron and Daniel Good

### **Tribute from Norman McCrimmon**

Relation: victoria law courts

My deepest sympathy for the loss of Gary. I met Gary in my role as a court monitor at the Victoria law courts. I would often attend traffic court and one day he asked me when my case would be called.

After explaining what I was about, we developed a friendship, He would often stay at the end of a court session for a short chat, sometimes about traffic law; but most often about cars. We both attended the car show at Mill Bay to exhibit our respective collector vehicles.

I will always remember Gary for his easy-going nature, patience and as a first-rate justice of the peace.

Sincerely  
Norm McCrimmon

**Tribute from Bob Taylor**

Relation: Friend from Mimico

It was sad to hear of Gary's passing. I was a classmate and played football with Gary all those years ago. I had not seen Gary since the late 70's when I was working at St. Michael's Hosp. and ran into him by chance when he was a Metro Officer. We had a good talk and I noticed his sense of humour was as good or better than I remembered. Gary was a good person and it is my loss that we never stayed in contact. I send prayers and condolences to Gary's family and friends. This is a great loss for all who knew Gary. So sorry. I still have yearbook pictures of those football teams from the 60's and have frequently wondered what has happened to the guys. I will miss Gary even though we hadn't spoken for over 30 years.

Relation: 25 plus years friend and colleague

Karen and Family: it is with deep sadness and regret that we read of Gary's passing in today's paper. Our hearts and thoughts and prayers are with you all in this very difficult time. There are so many many things brought to mind and all of them warm and loving when we think of Gary. He was a sincere pleasure to know and associate with. A consummate professional and extremely proud of his wife and family. I miss many things about our work and mostly it was Gary's upbeat personality. He is one of those people that make this country strong. His love of family, and personal integrity lumped with his professionalism are just simply wonderful. In this time of strife and grief please find time to rejoice in what Gary was, did and felt. He was simply put a wonderful human being. We will miss him. Until we meet again Love Lois and Jim

**Tribute from Bob Jacques**

Relation: I worked with Gary at 14 Division

Very sad to learn the news about Gary. A perfect gentlemen. Coming from the U.K. myself I always thought of Gary as the quintessential 'Country Squire' My wife Trish and I spoke with Gary in Victoria in the springtime and he was his usual shy (but charming) self. It's unbelievable to think he's gone. Our deepest condolences to Gary's family during this difficult time.

**Tribute from George Cowley (retired TPS)**

Relation: Gary was my Sergeant in 14 Division

Gary was my Sergeant in 14 Division in the late 70s. He had a wonderful (and wicked) sense of humour and he made it a pleasure to come to work. I continued to see Gary as he moved up the ranks until his retirement. They truly broke the mold when they made Gary and he will be sorely missed by everyone.
