My condolences to Suzanne and family. Gary was a quiet man and a great friend of myself and Bruce McEwan. I am sure he will be hunting with his old friend now. He will be missed.

Tribute from Donna May

Relation: Neighbour, friend, ex co workers.

My heart goes out to you. I was saddened to hear the news. Gary was such a quiet sole, from the first I met him he reminded me of a friendly giant with a big smile. He will be missed by many. I myself will miss our morning in counters and a stroll for him and jog for me. Always such a pleasant man with a big heart. To all the family big hugs coming your way.
