Tribute from The Pynch Family

Relation: George was a friend and customer

George Schmidt will be missed. He was a beloved friend to all of us who worked for and at the Best Western Cowichan Valley Inn. He will be missed by the servers, his friends there and all of the staff who got to know him through the years.

George was a man who always brought in his soul along with his smile. He always had kind words or a kind comment to pass along to the people who had the privilege of dealing with him whenever he came in. He always let you know he cared about you as much as he cared about whatever he was dealing with, and maybe that, was the piece of him that will be so badly missed by everyone.

George Schmidt will be missed by everybody who got to know him, and we all wish him, his wife Karin and all the rest of his family the very best that we can in these difficult and trying times.
