Tribute from Carol and Ed Henderson

Relation: friend for over 20 years

We were saddened to read of Gerry's passing. Our condolences to Dorothy and family. We have many happy memories of Gerry - laughing with him in Arizona, Mexico and Australia, he was always ready and willing to help out with the Dragon Divas when they needed help with the boat. In later years . we enjoyed riding the golf cart with him at the Cowichan Exhibition. Rest in peace dear friend.

Tribute from Ron and Pat Gallant

Relation: From Cow Bay waterworks and get together wintering in Arizona, California & Mexico

Dorothy and family : We are so sorry to learn that Gerry has passed away. We were not aware that he was a patient at Cairnsmore and would have visited him there. Our relations first started when I was Secretary-Treasurer of Cow. Bay Waterworks for many years and Gerry was a member of the Board. Like the Sjostrom's we spent winter going south to California and frequent trips to Arizona and Mexico where we got together to play golf, etc. Gerry was a real common sense guy and we were so happy for him and Dorothy when they were able to develop their land in Cowichan Bay which was a great success. May Gerry be happy in heaven above.

Tribute from Jennifer Conway

Relation: Uncle

Dearest Aunt Dorothy, Mom, Dan and I send our deepest condolences on your loss. We had no idea Uncle Gerry was in a care home or that he had passed until many weeks later on moms birthday when Bev informed us of his passing. We would have like to be there for moral support as you were there for us. We love you! Please know you can phone any time and we would love to come up next year when it is safe to do so(covid is low) We have a card that we would like to send, but can't find my address book. Please email it to me so I can send our love and respects. <<>> Mom and I were reminiscing the other day about uncle Gerry and she was telling me the fun she had helping you 2 with the donut van. Dave and I loved those donuts. I miss seeing you 2 at the Cowichen fire hall

Christmas craft fair as well. Those craft fairs will always hold a special place in my heart because of you and uncle Gerry. Love you!!! Take care and please know we are always here.
