Relation: Friends

Gerry will be greatly missed, from his comments on our posts to his amazing smile when we got to see him. It is a pleasure to have called him a friend - sending love and hugs to all his family and friends

Tribute from Russ Bradshaw

Relation: worked with

I just want to pass on my condolences, Gerry helped me plenty over the years at windsor ply and showed me some of the pens and other wood projects that he had accomplished, really a shame to lose someone with such a big heart so early in his life.
