

REMEMBERING
Glen Pontious

September 19, 1953 - December 20, 2020

Glen Passed away suddenly on December 20, 2020. He was predeceased by his Mother Gladys and his Father Don. Glen leaves behind his wife Trish and three sons Joel, Dan (Liz), Phil (Carlie) and his three Grandsons, who he adored Jack, Hugh and Tucker.

Glen will be remembered as a loving son, father, husband and Grandpa and a great friend to many. He was born and raised on the family farm in Glenora. Glen's career was mostly a gravel truck driver but his real passion was farming. Glen could be found out on farm most anytime tending to his cows, helping Trish in her gardens or just on his side by side striking up conversation with anyone who stopped by the farm.

He adored his role as grandpa from reading to the boys or learning a new song that had Tucker's name in it. Glen will be greatly missed by his family and all that got to know him. He had a larger than life personality and could find the good in almost anyone.

A celebration of life will be held for Glen at the family farm with details to be determined at a later date.
