Tribute from Beverley and Christopher CAPE

Relation: Old family friends

Dear Kim and Leslie,

Was sad and distressed to see you two lost your wonderful mother so suddenly! We are not sure where you are but have such fond memories of your parents who lived near us on Vendome Avenue in Montreal and then they had you both and we spent a Cancun holiday together in your teen years and enjoyed the Club Med. experience!!

What a handsome couple they were.....and so much fun to be with!! You may remember Jim and Geoff and Pam who are now in their 50's and have given us 8 grandchildren! It is good that you have a large and loving family for they will be important to help you with this profound loss. We send you both our sympathy and treasure the memory of our long ago times together! Lovely to be able to connect with you.....Bev and Chris Cape

Tribute from Lynn Grant (Marilyn)

Relation: Originally, we met at Ryerson.

I am shocked and saddened to learn of Glenda's death. We attended Ryerson's School of Fashion together and shared many interesting times. When she and Cam lived in Toronto we would get together. Some of my daughter's little clothes were passed on to Glenda for her little girls. Last October when I was working on our 60th anniversary of graduating from Ryerson, I learned Glenda had moved to Vancouver. She was an amazing and beautiful person, inside and out. I send my deepest sympathy to Kim and Leslie and all her family. I am so sorry!
