

REMEMBERING
Glenn Maclean

April 28, 1950 - May 22, 2020

Glenn (also known as Juan) April 28, 1950. It is with extreme sadness I lost my husband suddenly May 22, 2020. He leaves behind wife Denice, son Glenn Jr., stepson Kevin, Family and many Friends.

Glenn loved life, excelled in sports including hockey and fastball, enjoyed gardening and following the sun around the yard. He looked forward to spending winters in Mexico. Glenn will be fondly missed and remembered for his mischievous grin.

Thanks to Kim, Honeymoon Bay 1st Responders and Neighbours for assisting him, and to Family Members and Friends for amazing support. Thanks to Harold, Betty, and staff of H. W. Wallace for taking good care of me.
