

REMEMBERING
Gordon Painchaud

March 1, 1960 - April 18, 2020

It is with deep sadness that we announce the peaceful passing of Gord in his home on April 18, 2020.

Gord was known in part for his unwavering loyalty and soft spoken nature, his devotion to family and friends, kick ass welding skills and his love of motorcycles and riding.

Gord is survived by his wife Cindy, parents Paul and Rosemarie, daughters Kristin (Tim, grandsons Jake and Zack) and Kelsey, brother Ron (Cheryl) , his sister Anita (nephews Erik and Troy) stepdaughters Amy and Kirstin (Scott, grandchildren Riley and Alayna). He was also blessed to have extended family and close friends who were dear to him.

He is resting easy now, riding his heart out and will live on in all of us forever.

"The future is no place to place your better days"

A memorial ride and celebration of life to be held at a later date.

Special thanks to Dr. Valorie Masada, Cowichan Community Health Services and family and friends for all your love and support.
