Relation: Friend and working buddy

My deepest condolences to Grants family. I worked with Grant for many years and considered him a good friend. Grant was a great guy and was always there if you needed help. We had many good times and laughs on the job. He will be missed.

Tribute from Don Moore

Relation: friend

My condolences to Grant's family and friends. I haven't seen Grant for quite a while, but he left a lasting impression and I will always remember the good times we had at National Little League, and the nights we got together to play cards with the Gerhardt's and Pilon's. Grant was one of a kind, especially his wicked sense of humor and his quick smile, which made you think that everything was alright with the world. Grant had the most amazing family, and his kids were his life, Rest in peace Grant, You may be gone, but you will never be forgotten
