Dear Phyllis, Chris and Lanice, My heartfelt condolences to all of you. Greg was always a caring and loving person to me and my son Jaeson Peterson. I have many fond memories of Mission Beach and the many good times and feelings with your wonderful family. I hope your memories of Greg's great smile will comfort you.

**Tribute from Candy Holland (Horsfield)**

Relation: High school classmate

To each family member, my sincere sympathies on losing Greg.

The Edmonton Journal announcement was lovely. I was intrigued to read about this marvellous man, who seemed to have had a busy, happy and adventurous life. And that he made a difference in the lives of so many.

We shared many classes at McNally and I've not forgotten him. I found him charming, fun-loving, curious and independent. His spirit remains with me -- make the most of every day and, while living on our own terms, help others.

Wishing each of you peace during this difficult time.

Candy
