**Tribute from Doug Hallman**

Relation: Professional Colleague

To family and friends of Lyell: I arrived in PG in 1981 assuming the Principialship of Duchess Park Secondary and worked with Lyell as a colleague until 1987 when Lyell retired and I replaced him as Principal of PGSS. I had a great respect for him, he always put students first. Lyell provided great leadership to our professional association and often provided thoughtful and valuable advice at our monthly meetings. I will remember Lyell as a true gentleman, mild and respectful in his approach to others and a great contributor to our educational community. I am saddened to hear of his passing and will maintain fond memories of him. My sincere condolences to his remaining loved ones, family and I am certain many friends. Doug Hallman, Principal (retired) Prince George 1981 to 1986.

**Tribute from Lorraine Drummond**

Relation: friend

So sad to lose another friend. Hope and Lyell became dear friends during the times in Prince George enjoying horses together.

I taught Hope to ride starting at age 60. How brave and such trust. Lyell was so proud.
