Relation: Uncle

Sending our heartfelt condolences to the Bell family. Uncle Harold was a kind and gentle man who always had something positive to say. We have so many wonderful memories of our Sunday Cope expeditions with Uncle Harold leading the way as well as the annual Tuc el Nuit holidays. The photos may have faded but the memories remain vivid. Rest In Peace. Bob and Brenda

We send our sincerest thoughts and prayers for Shirley and the Bell family. Not only was Harold a wonderful person to work with, he was such a great teacher and mentor to so many of us in the BC Forest Service, over the many years he served our Province's forests. A highly respected man, who will be missed by so many. Rest in Peace, Harold. Pat and Carol Hayes (Duncan BC)

Relation: Friend and co-worker

Sincere condolences to Bruce and the entire Bell family. Harold was a wonderful person; kind, good natured and I'll always remember him as a gentle giant. I enjoyed working with Harold over the years at the Forest Service. He was always so communicative and wise, with a great sense of calmness and balance in emergency situations. All the best to the family. My thoughts are with you.

### **Tribute from Vic Doerksen**

Hi Shirley and family. Sorry to hear that Harold has passed away. I wish you all the best in the years ahead. I always considered Harold as one of my good friends throughout our high school years in Chilliwack. Harold was a gentle giant. Once we joined the FS , I always kept track of where you guys were stationed but our paths never were to cross again. As I recall you and Harold were an item throughout the high school years. Good to hear that you stuck together all those years of FS transfers and outposts.  
Good memories.
