### **Tribute from Steve and Michelle Hyatt**

Relation: grandchild

It deeply saddens us at the loss of Harry. Although we lived provinces apart it was like we never missed a beat when we got to visit, and you were always a great host. You taught me to play chess, and I looked forward to our matches when we visited. We enjoyed listening when you played the piano, you were always an entertainer. In our hearts forever.....love Steve and Michelle

Relation: friends

Dear Helen and family, we are very sad to hear of Harry's passing. We consider ourselves very fortunate to have been his friends and over the years there have been so many experiences and memories for us to cherish. We hope that in the near future there will be the opportunity to gather with many of his friends, drink a toast to a great guy and tell some Harry stories. I know that I have more than a few.

### **Tribute from Danette Schutte**

Relation: She was my teacher MANY years ago

Mrs. Evans, I knew you when you were Mrs. Hamilton. You were one of my favourite teachers and I just wanted you to know how profoundly sorry I am about the loss of Harry. As I am in constant contact with Stephen Watson, who was my grade 7 teacher, he informed me today of your loss. I read the obituary and it sounds that being married to Harry was the joy of your life. I will be thinking of you tomorrow on the day of his funeral (I live in Saskatchewan). I don't know if you will remember me (my dad had Danny's Taxi), but I wanted to acknowledge Harry's passing and wish you and your family all the best. With my most deepest sympathies,

Danette Schutte

**Tribute from Elvin Hedden**

Relation: friend

I was saddened to hear that Harry passed away. As a teaching colleague, friend and musician Harry has always been a bright light in my time in Lake Cowichan. Our band will miss he and Helen joining us on Thursday's at the Senior Centre for pie Day, music and dance. This Thursday we will play two songs they asked us to play; The Blue Bells of Scotland and Mull of Kintyre. I am picking up my wife at the airport so cannot make the memorial, however, my thoughts will be with you.

**Tribute from Rebecca Fothergill (Kellerman)**

Relation: former student

So sorry to hear of Harry's passing (or as i was accustomed to addressing him-Mr. Evans). I had the privilege to have been one of Harry's students at LCSS in the '70's and have many fond memories of his "larger than life" personality. He instilled more than just an education in his students--he instilled a love of life as well! My condolences go out to you all.
